I understand that being a part of the pay-as-you-owe program means that I will run payroll on a weekly, bi-weekly, or semimonthly basis. RPM may assess the monthly minimum premium as per your policy when or if no payroll is run for an entire month to ensure that your policy remains active and is not subject to cancel due to non-payment of premium. RPM is required to report to the insurance carrier whether payroll is posted or not, therefore, the admin fee will be assessed per pay period. RPM is not responsible for any balances due upon completion of a work comp audit by the insurance carrier.
